Wisconsin Holstein Membership Opportunities

In a time when every dollar counts, Registered Holsteins offer added value to any dairy herd. The Wisconsin Holstein Association offers many benefits and opportunities to market genetics throughout the state, in the Midwest and across the nation.

Wisconsin Holstein offers many opportunities for breeders to expose and showcase their herds. Each year, nine district shows and a state championship show are held in June and July. WHA is also host to a national-level show, the Midwest National Spring Holstein Show, held each April.

The WHA News provides another opportunity for breeders to market their herds. For more details on this publication, contact the editor, Laura Wackershauser, at 608-723-4933 or email her at lauraw@wisholsteins.com.

Member Events

Each year the state association holds numerous events for its members, including an adult convention, sale, barn meetings, a state picnic, and a Milwaukee Brewer game outing. Individual counties also host events such as daylight and twilight meetings and picnics. WHA strives to provide its members with the chance to meet fellow Holstein breeders and learn from other producers.

Registration Discounts

Yes, that's right! Any WHA member that wants to register animals through the National Holstein Association will benefit from discounts by being a state Holstein member. Cut registration costs by becoming a member of both organizations.

Become Involved

Members can be directly involved in the association through committee participation or by running for a position on the Board of Directors. Committees meet 1-2 times each year and are essential for the direction of WHA. The Board of Directors is the decision-making group for WHA. Directors serve a 3-year term and can serve two, 3-year terms consecutively.

Wisconsin Holstein News

The Wisconsin Holstein News is published 11 times per year and distributed to 2,700 members and subscribers each month. The News is one of the nation's premier state association magazines and offers our members an advertising venue that reaches all Registered Holstein breeders in Wisconsin. The Wisconsin Holstein News also has a great joint venture with Illinois, Iowa, Minnesota and South Dakota associations to publish two "Midwest Holsteins" issues each year, with breeder advertising reaching over 5,500 readers throughout the Midwest. For information on upcoming issues and advertising deadlines, contact Laura Wackershauser, the editor.
